## THE YEAR AHEAD

For syllabus classes, the first six months of the year is spent working towards exams. Students have the opportunity to sit exams for Ballet and Jazz classes. When you enrol, you will be advised as to whether your classes are exam classes or open/free work classes. Teachers will advise students regarding their suitability to sit an exam, and the final decision is that of the teacher. You need to consider your commitments carefully if you want to aim for an exam, too many missed classes may affect your chance of being selected/entered.

Our School Holiday Programmes are always a favourite event with our students. The programmes run for a week and give students the wonderful opportunity to trial new dance classes and to polish up in preparation for exams. It is an expectation that if you are selected for an exam you will be attending the Holiday Course as exam preparation.

Kairos Dance Convention is coming back to New Zealand in 2019 - you don't want to miss out on this epic convention!

For the second six months of the year the focus turns towards the end of year show which is held at the Bruce Mason Centre in Takapuna. This is a fantastic professional show which is the highlight of the year.

*Thanks!*

**Once again, thank you for your interest and we look forward to sharing the enjoyment of dance with you in 2019!**

### EXAMINATIONS

Dance exams are a great mid year goal for our students. Syllabus classes prep for the first half of the year towards these exams and students feel a great sense of achievement and pride once completed. Students then progress through their genre levels from year to year.

- When are exams? Exams take place mid year and can fall anywhere between the end of Term 2 - mid Term 3
- What do exams cost? Exam entry fees depend on the examination level however exams can range from \$50 - \$250
- What is required? To be eligible to sit an exam at Neverland Studios you must be doing the following:
- Attending the compulsory classes suitable for your exam
  - Wearing the appropriate uniform for your exam
  - Attending any extra holiday/intensive courses that are scheduled for your exam
  - Practising at home

Can anyone do an exam? All dancers that are following the above guidelines are eligible to sit an exam however the decision to enter a student in an exam is that of the teachers. Exam students must be showing great technique and performance quality, they must also be regularly attending class and practising in their own time. All exam students must show a positive attitude towards the syllabus, their teacher and their peers.

### GLOBAL DANCE QUALIFICATION SYLLABUS OR GDQ.

GDQ pulls from the most well respected dance technique methods from around the world and aligns with world industry standards of what is expected from students of all ages.

### BALLET - ROYAL ACADEMY OF DANCE (RAD)

RAD exams set standards in classical ballet and are a global leader in Continuing Professional Development for dance. Founded in 1920 to set standards for dance teaching within the UK, today RAD have a presence in 84 countries, with 36 offices and around 14,000 members worldwide. RAD count more than 1,000 students in our teacher training programmes and more than a quarter of a million students are being examined in RAD syllabi.
